ENGEL stock machines

# e-motion 420 T

## Technical details

Series **e-motion**  
Machine type **e-motion 420 T**  
Availability **immediately**

Injection unit type **horizontal**  
Injection unit **2440**  
Screw diameter **60 mm**  
max. injection capacity **877 cm<sup>3</sup>**

Clamping force **3800 kN**
